The Honorable Carlo Basile, House Chair  
Joint Committee on Veterans and Federal Affairs  
State House, Room 174

Dear Chairman Rush and Chairman Basile:

I am writing to request your support for S.1750, the "Budget for All" resolution. It is my hope that this bill be reported out of Committee favorably.

It is important that this State Legislature send such a resolution to Congress calling on the Federal Government to make changes to the ways in which federal resources are spent. This bill explains the need to cut military spending and redirect it to other programs that are more in need of the funding, including Social Security, Medicaid, Medicare and Veterans benefits. S.1750 calls on Congress to provide new revenues by closing corporate tax loopholes and ending offshore tax havens. Additionally, these new revenues can also aid in the creation of new jobs through investment in manufacturing, schools, housing and other public services.

Thank you again for your consideration and I hope the Committee will give this legislation a favorable report.

Sincerely,
