

Valentine's Day “Have a Heart” rally for a Budget for All

- Protect Medicare, Social Security, housing, food assistance and other vital programs
- Cut the Pentagon/Invest in Jobs as the solution to our economic crisis
- Make large corporations and millionaires pay their fair share
- Bring our Troops home safely from Afghanistan *NOW*

It's crunch time again in Congress.

Vital public programs and millions of jobs are once again on the chopping block as the budget debate rages on.

On Valentine's Day join us to give Senator Warren and Senator Cowan a gigantic Valentine Card and a beautiful gift of our successful Budget for All ballot results.

We anticipate that our new Senators will stand with us and promote employment, protect critical public programs, and redirect Pentagon spending - rather than with those in Congress pushing austerity.

In 2011 Congress already cut hundreds of billions of dollars from needed public programs.

We can't afford any more.

We say: *Have a Heart!*

Enact a Budget for All!

**Rally Thursday, February 14
@ 12:30pm
JFK Federal Building/Government
Center T-stop
March to Senate Offices**
