

PULL THE PORK FROM THE PENTAGON

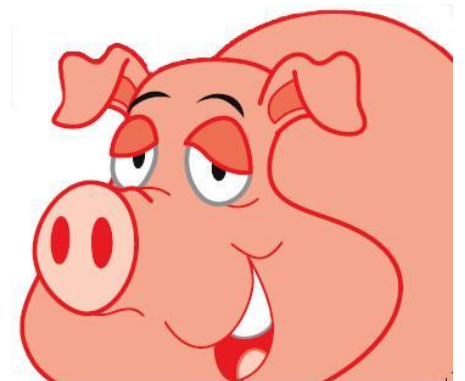

Protect our Priorities.

**National Day of Action to
Fund Our Communities Not War
Wednesday Feb. 27 at Noon
In front of Worcester City Hall**

With the sequester, MA stands to lose

- Over \$13.9 million in services to low income school children
- 3,904 families lose rental housing vouchers
- \$6 million in Head Start funding
- 963 people with disabilities lose voc rehab

IT DOESN'T HAVE TO HAPPEN THIS WAY. We can cut funding for boondoggle projects like the F-35, funding for more nuclear weapons and close some of the 1000 foreign military bases and use that money for our communities.

We are not broke! Move the money! Sponsored by the American Friends Service Committee. For more information contact sene@afsc.org
